ACCREDITATION: This activity has been planned and implemented in accordance with the Essential Areas and policies of the Missouri State Medical Association through the joint sponsorship of the St. Louis STD/HIV and the Kansas City CARE Clinic. The St. Louis STD/HIV Prevention Training Center is accredited by the MSMA to provide continuing medical education for physicians.

DESIGNATION: This course has been approved for 4 credits AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

CNE: "Kansas City CARE Clinic is approved as provider of continuing nursing education by the Kansas State Board of Nursing. This course offering approved for 4 contact hours applicable for RN or LPN re-licensure.

*Kansas State Board of Nursing Approved
Provider Number: LT 0256-0609'*

Target Audience: This course is designed for physicians, PAs, NPs and RNs who see patients with or at risk for sexually transmitted infections (STIs).

Course Description: This course is an STI Update offering state-of-the-art instruction in epidemiological, clinical presentation, diagnosis, treatment, and prevention of sexually transmitted infections. Course material will emphasize new developments in the management of syphilis, gonorrhea, chlamydia and other non-gonococcal infections, and advances in HIV prevention.

Course Objectives: At the end of this course, participants will be able to:

1. Describe changing patterns of syphilis clinical presentation.
2. Discuss trends in gonorrhea antimicrobial resistance.
3. Describe clinical care of patients with chlamydia and other nongonococcal infections.
4. Implement evidence-based strategies for HIV prevention.

Cost and Registration: The course is **FREE**, but you must register in advance through the following URL:
