KAFP Invites You to Be Involved

KAFP

KAFP volunteers are the lifeblood of our association. Committees and task forces are now being formed for the 2020-21 programming year. KAFP invites members to serve on a committee or task force and [complete your interest form](#) today. Through committee involvement you can provide input into Academy activities and help advance the mission of the KAFP.

The following active committees and task forces are seeking volunteers:

- Communications and Awards Committee
- Governmental Advocacy Committee
- Membership and Member Services Committee
- Professional Development Committee
- Governance Restructure Task Force
- Implicit Bias Training Task Force
- Rural Health Summit Task Force

You can review the descriptions, time commitments and expected outcomes of our committees and task forces on the KAFP website. [Apply here](#).

If you have questions, please contact info@kafponline.org. Thank you for your interest in serving and your commitment to KAFP.

Education

Fam Med Forward Virtual Education Opportunities

KAFP

University of Kansas School of Medicine students have worked hard to provide quality posters for *Fam Med Forward* 2020. While we couldn't see these posters in person this year, you can view video recordings for each poster presentation at [KAFP Virtual CME](#). New posters featured weekly!

Did you miss the resident presentations in June? The recordings of the live webinars are also available at [KAFP Virtual CME](#).

Please note that the videos are not eligible for CME credit. Contact KAFP if you have any questions: info@kafponline.org.

Instructions for Submitting ABFM COVID-19 Self-Directed PI Activity

Ohio AFP

Learn step-by-step instructions on how to turn a COVID-19 driven change in your practice into a Performance Improvement activity for your American Board of Family Medicine (ABFM) Family Medicine Certification requirements through the new COVID-19 Self-Directed pathway. The Ohio Academy's Quality Improvement champion, Ryan Kauffman, MD, created the instructional video above to help member diplomates navigate the ABFM COVID-19 Self-Directed PI Activity.

The ABFM COVID-19 Self-Directed PI Pilot and the general Self-Directed PI activity have each been approved by AAFP for 20 CME credits.
