### AAFP Launches New Website Aug. 17 - Update Your Email by Aug. 13

AAFP

All AAFP websites will be unavailable beginning at 6:00 p.m. on Aug. 13 through Aug. 17 in preparation for the new AAFP website and mobile app which will launch on Aug. 17. If you need assistance from AAFP during this time, you can contact the Member Resource Center at [AAFP@AAFP.org](mailto:AAFP@AAFP.org) or 800-274-2237.

**Your email address will be your default username for both the website and mobile app.** To make sure you have access to the changes as soon as they're available, take a few moments to confirm that the AAFP has your preferred email address on file no later than **noon CDT on Thursday, Aug. 13**. Just visit [AAFP.org](http://AAFP.org), click "My Account" under "Member Services" and check the email address listed under your name. You can change it by selecting "Edit Personal Info," entering your email address and clicking "Save My Account" at the bottom of the screen.

If you're using a shared email address (such as a generic practice address) that is also used by other AAFP members, you will need to add a unique email address by the Aug. 13 deadline to receive immediate access. To change from a shared address after that date, email the [AAFP Member Resource Center](#).

Once the new website is live, look for an email from no-reply@aafp.org on Aug. 24 with instructions to reset your password.

### Medical Students: Register for Virtual Family Medicine Residency Fair on August 28

KAFP

Calling all medical students! You are invited to attend this virtual Kansas Family Medicine Residency Fair on **Friday, Aug. 28** from 6:00 to 8:00 p.m. -- featuring presentations from our four residency programs:

- Ascension Via Christi Family Medicine Residency
- KU Family Medicine Residency
- Smoky Hill Family Medicine Residency
- Wesley Family Medicine Residency

Don't miss this opportunity to engage with each of the residency program's residents and faculty! This opportunity is brought to you by KAFP; KU Rural Health Education and Services; KU Wichita Family and Community Medicine; and KU Kansas City Family Medicine and Community Health.

Sign Up Today!

## AAFP Member Purchase Opportunity for Hard-to-Find PPE

AAFP

A new collaboration between the AAFP and [Project N95](#) will help Academy members secure personal protective equipment -- even in hard-to-find small quantities -- during a limited-time opportunity beginning later this month.

Start planning now for the purchase opportunity, which will be open from Aug. 24 through Sept. 2. All AAFP members (including students and residents) will be able to purchase items such as N95 masks, gowns and face shields. Orders must be shipped within the United States.

This is being offered as a benefit for AAFP members and the Academy will not profit. Helping family physicians secure PPE has been a crucial part of the AAFP's government and private-sector advocacy from the beginning of the pandemic. Project N95 has certified the quality of the products being offered, and there is no minimum purchase requirement.

**Look for an email from the AAFP on Aug. 24 with a link to this members-only opportunity. It is important AAFP has your correct email address on file. You can visit [AAFP.org](#), go to "My Account" to check the email listed or contact [AAFP@AAFP.org](mailto:AAFP@AAFP.org) to confirm your email address.**

## Grant Opportunity for Free Health Clinics

AAFP

The American Academy of Family Physicians (AAFP) Foundation has a new emergency funding opportunity for free clinics.

These will be one-time \$25,000 grants to clinics that provide 100% free patient services that are located in areas of high need to purchase "durable and non-durable medical equipment and supplies and/or to cover operational expenses.

**Grant Guidelines** [\[PDF\]](#)  
**Grant Application** [\[DOC\]](#)

The application must be submitted via email to Sharon Hunt, Programs Strategist, AAFP Foundation, at [shunt@aafp.org](mailto:shunt@aafp.org).

Applications will be accepted starting August 1, 2020. The application deadline is rolling until all funds have been disseminated; therefore, we highly recommend submitting as soon as possible.

## Important Dates

**August 17 | AAFP website and mobile app launch**  
**August 28 | Virtual Kansas Family Medicine Residency Fair**  
**October 13-17 | Virtual AAFP FMX**
