KAFP Offers Four Virtual CME Sessions

KAFP

Register
Today

KAFP is pleased to provide four, two-hour sessions of top quality CME! All sessions are virtual, allowing participants to enjoy the CME from the comfort of their office or home through Zoom. To participate, all you need is a computer, internet access, audio capability and be ready to learn and participate. Once registered, KAFP staff will send you a link to join the webinar via email.

If you're looking to use your professional development budget before year-end, here is your chance. Participants may choose which session(s) to register for – or register for all sessions and receive a \$5 discount per session!

Tuesday, November 3 | 7:00 – 9:00 a.m.

- The Diagnosis and Preventive Treatment of Migraine Headache in Family Medicine, *Duren Michael Ready, MD, FAHS*

Tuesday, November 10 | 6:00 – 8:00 p.m.

- Vaping Epidemic, *Matthias Salathe, MD*
- Intimate Partner Violence, *Nancy Carroll, LCSW*

Tuesday, November 17 | 7:00 – 9:00 a.m.

- The Shoulder Made Eas(ier), *Nicole Yedlinsky, MD, CAQSM, FAAFP, RMSK*
- Care of the Military Veteran, *Nicole Yedlinsky, MD, CAQSM, FAAFP, RMSK*

Tuesday, December 1 | 6:00 – 8:00 p.m.

- Immunizations: Keeping Up To Date and Countering the Anti-Vaxxers, *Belinda Vail, MD, FAAFP*
- Treating Obesity with Medications in a Primary Care Practice, *Margaret Smith, MD, MHSA, FAAFP*
- 10 Things I Learned this Year, *Belinda Vail, MD, FAAFP*

Please direct any questions to info@kafponline.org.

Sign up for 2021 Family Doctor of the Day

KAFP

Sign Up Today!

FDOD is a volunteer program organized by KAFP in which members volunteer to serve as the onsite physician managing our aid station at the Statehouse during the legislative session (January – May), providing basic medical care to legislators, staff and visitors. Additionally, FDOD is a great opportunity to network with legislators in Topeka, learn about the legislative process and proudly represent Kansas family physicians.

KAFP members with an active license to practice in Kansas are eligible to volunteer. Please review the available dates to volunteer and submit a volunteer form to reserve your date.

You may recall FDOD services were suspended in the Spring due to the COVID-19 pandemic. KAFP leadership knows the value the FDOD program brings to the profession, but also understand the risk members take when choosing to volunteer during a global pandemic. A work group has identified a set of protocols for keeping FDOD services safe for our member volunteers as well as the guests of the FDOD office; such as a mask requirement, sanitization practices and limiting the days FDOD is scheduled. Learn more about these protocols by visiting our website at www.kafponline.org/fdod.

Early Voting Begins

KAFP

KAFP encourages everyone who is eligible, to vote in the General Election for their local, state and national leaders.

Vote early. Vote by mail. Vote on Election Day. Whichever you choose, just make sure to vote.

Early Voting:

- Oct. 14 - Nov. 2: Dates and hours may vary based on where you live. [Kansas election tools](#)

Election Day: Nov. 3

Mark your calendar if you're planning to vote in person. Visit ksballot.org to see who is on your ballot, research candidates and find your polling location.

Education

Resources

New COVID-19 Resources

AAFP/KAFP

AAFP and KAFP continue to update their websites with the latest COVID-19 news and tools to help members. Here is what is new:

AAFP [COVID-19 Vaccines web hub](#) We're closely monitoring every aspect of the COVID-19 vaccine development process. Follow how we're working on your behalf and find information to help you prepare your practice and patients.

AAFP [Provider Relief Funding Opportunity!](#) HHS announced a third phase of provider relief funding opening on Oct. 5 and urged all eligible providers to apply well ahead of the Nov. 6 cutoff. Get the eligibility details.

[Halloween Safety Tips](#) from CDC.

Visit the [KAFP COVID-19 Resource Center](#) for all resources in one place.

Telehealth and Virtual Care

AAFP

Telehealth is critical in delivering quality patient care. COVID-19 has shone a light on this important tool family physicians can use to serve their patients. AAFP has launched a toolkit you need to make virtual care work for your practice, and includes everything from technology to payment. Download the AAFP resource, "[A Toolkit for Building and Growing a Sustainable Telehealth Program in Your Practice](#)" to help guide you and your practice in implementing telehealth.
